

**Conformity can be
a beautiful thing**

Deceptively simple, Fit is intelligent mesh stretched over a cantilevered steel frame. Which means it's more than a chair, it's a sling lounge. Completely flat on its own, Fit acquires shape as someone sits in it, conforming perfectly to each unique body while providing comfort and support. And the cool factor is off the charts.

FIT™

**Fit™ — The “non-chair”
that fits you**

- Intelligent mesh with four weave-strength zones to support the entire body.
- Sit straight, curl up or roll to your side—comfortably and supported.
- Nests and stores compactly when not in use.
- Optional headrest can be positioned anywhere on frame.
- Available in black, grey, green and red.
- Fits in anywhere—home or office.

Fit may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on www.kimballoffice.com, for specific details.
