

**Distinctive details and elegant style  
establish President as the reference  
point for traditional furnishings**

When you take a seat behind a President desk, you'll appreciate the artistry of our craftsmen, who fashion select materials into objects of beauty and function. The President office strikes a balance between conveying status and supporting work.

Kimball® Office

**PRESIDENT™**

**President's classic appointments  
conceal a modern characteristic—  
its ability to support the way  
people work today**

- Desks feature select black walnut veneer, premium walnut burl, or leather inlays with hand-tooled gold leaf borders.
- Carefully selected and matched veneers with hand-rubbed, full-filled finishes have a hint of distressing for traditional appeal.
- The largest selection of sizes and options available in the industry—from the reception desk to private offices to boardroom, President has the solutions to accommodate any requirement.
- Centra® locking is incorporated into all desks and credenzas—one key in the cylinder locks all drawers.
- Fully assembled and component units combine to fulfill individualized storage and workstyle requirements.

President may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on [www.kimballoffice.com](http://www.kimballoffice.com), for specific details.

the BIFMA sustainability standard

President is level™ 1 certified. level™ provides an easy way to understand how our products can contribute to your sustainability goals. level™ ensures a comprehensive, independent and impartial assessment of the environmental and social impacts of a product's manufacture to the BIFMA e3 sustainability standard.
