Rim Profiles:

Knife Rim

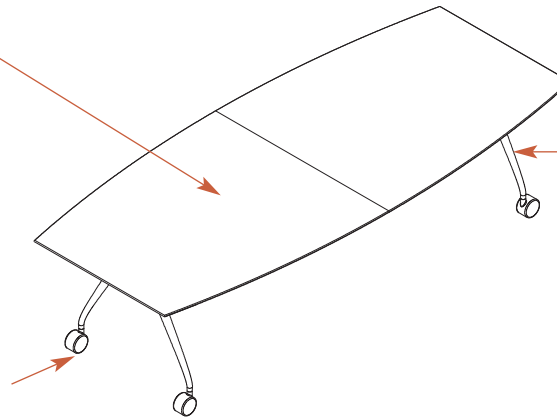

Softened Rim

Seating Capacities:

Table size	Number of Chairs
40 x 94	8
40 x 110	10
48 x 94	8
48 x 110	10

Overview

Tops feature 3-ply balanced construction and are 1 1/16" thick.

Base legs are polished aluminum.

4" dual wheel locking casters are standard on folding tables. Casters are black.

Features

Exterior surfaces are available in the following veneers:

- Cherry (plain sliced, slip matched)
- Maple (plain sliced, slip matched)
- Walnut (plain sliced, book matched)
- Sapele (quarter sliced, slip matched) premium veneer; upcharge applies
- Zebrawood premium composite veneer; upcharge applies

Veneers are carefully selected and matched to assure proper balance and consistency.

Table top support understructure is black metal.

Folding table tops are fully finished on top and underneath side.

Folding tables ship fully assembled. *Note: Folding tables lock into position when unfolded.*

Power/data center is available to bring power directly to the table. It mounts under the table top and includes one grounded electrical outlet, one RJ11 telephone jack, one RJ45 data jack, and a 10 foot power cord. Power/data center has a 13 amp rating and is U.L. listed.
