Code Restrictions:

Items listed herein are considered by Kimball Office as portable furniture and as such are subject to local fire, electrical, and building codes applicable to portable furniture.

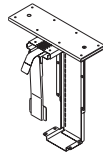

Only Underwriters' Laboratory (U.L.) listed electrical components are used in electrical devices and are so labeled.

The customer is responsible for the proper application of products to the local codes under which installation must be made. Further specifications are available on request.

Perks

ANSI/HFES Compliance:

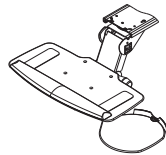

The following adjustable keyboard arm models comply with ANSI/HFES method 2.

Series	Keyboard Arm Model
Priority	Q99K2208KK1 Q99K2319KKS1
Definition	Q99K2208KK1 Q99K2319KKS1
Transcend	Q99K2208KK1 Q99K2319KKS1
Innsbruck	Q99K2319KKS1
Footprint	Q99K2319KKS1

Note: Keyboard kits cannot be used with President or Senator kneespace credenzas (due to the central locking mechanism), with Scenario tables, or with Fluent worksurfaces, as they interfere with the support channels.

Note: Keyboard kits, when recessed, are not flush to the worksurface edge when mounted in accordance with the manufacturer's instructions.
