

**A desk chair that turns heads.  
Ergonomically, and within budget.**

Campos cleverly intertwines smart aesthetics and subtly integrated details with ergonomics. Intuitive controls you expect from expensive seating are all at once attainable, bringing a whole new perspective to seating.

CAMPOS™

**A chair that feels really good.  
And looks even better.**

- Adjustable arms can be 2D (height and width) or 4D (height, width, depth, plus pivot and soft arm pads).
- The synchronous mechanism has a patented twist thread column for a greater range of height adjustment, providing optimum support in every seated position.
- Choose from upholstery or three classic mesh colors (Black, Red and Tan) for the seat back; a black plastic or polished aluminum base.
- Backrest tension and height adjustments allow for individual adaptations based on the weight, size and preferences of the user.
- 3D woven mesh backrest is nearly opaque due to tight weave that provides the stability of upholstery with maximum breathability.
- 2" seat slider option adjusts the seat support length to better fit users of all statures.

Campos™ may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on [www.kimballooffice.com](http://www.kimballooffice.com), for specific details.

Campos™ meets SCS Indoor Advantage Gold certification.

the BIFMA sustainability standard

Kimball Office products are level™ certified. level™ provides an easy way to understand how our products can contribute to your sustainability goals. level™ ensures a comprehensive, independent and impartial assessment of the environmental and social impacts of a product's manufacture to the ANSI/BIFMA e3 sustainability standard.
