

**Exquisite comfort, striking looks,
intuitive movement**

This is the office chair you've been waiting for. Skye redefines comfort, enabling you to perform at your best. With a meticulous eye for aesthetic detail, its web back, fine upholstery and sculpted base create an impression worthy of your work environment. And the controls are integrated into the frame, enhancing its appearance.

Kimball® Office

SKYE®

Skye® seating provides high design and high control, making it the right chair for every body

- Patented synchro-tilt mechanism with 4-zone tension adjustment reduces fatigue and provides naturally balanced tension.
- Offers a range from 4-degree forward to 40-degree recline.
- Contoured seat reduces pressure and promotes circulation.
- Controls are simple, intuitive and easy to reach and adjust.
- Backrest locks in any position with the flip of a lever.
- Optional headrest.

Skye may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on www.kimballoffice.com, for specific details.

Skye meets SCS Indoor Advantage Gold certification.

the BIFMA sustainability standard

Skye is level™ 1 certified. level™ provides an easy way to understand how our products can contribute to your sustainability goals. level™ ensures a comprehensive, independent and impartial assessment of the environmental and social impacts of a product's manufacture to the BIFMA e3 sustainability standard.
